

Contingency

Contingency cover protects you financially should you suffer losses from an issue with an event. Losses from last minute cancellations, a key person not appearing or adverse weather can be significant. That's where Contingency Insurance kicks in.

Planning and running an event is stressful enough, without having to deal with a major disruption. Our Contingency Insurance is designed to provide peace of mind that if something does go wrong you are covered. We cover all types of events, including music concerts, sports events, conferences and exhibitions. And, as you would expect, it's bespoke cover that we arrange by taking the time to really understand your event and the risks you face.

What's typically covered?

- ✓ Damage to a venue
- ✓ Failure of utilities
- ✓ Cancellation due to terrorism
- ✓ Adverse weather
- ✓ Prize Indemnity
- ✓ Illness or injury to a key person
